

## James Sadusky

July 12, 1979 - January 24, 2022

James “Jim” Sadusky, 42, was born in Jacksonville, NC on July 12, 1979. He passed away suddenly on January 24, 2022 in his home in Exton, PA.

At a young age, Jim displayed a talent for art and excelled in sports. He played varsity baseball, football and basketball at Cinnaminson High School. After graduating in 1997, Jim attended Philadelphia University where he majored in architecture to pursue his love for art. In addition to his academic pursuits, Jim walked onto the basketball team as a Sophomore to play for legendary coach Herb Magee. He graduated with a bachelor’s degree in architecture from Philadelphia University in 2003, kickstarting Jim’s successful career as an architect, during which he designed homes for CalAtlantic, Lennar and Reybold Group, all while pursuing his own business, Dream Drafters, since 2010.

In his spare time, Jim enjoyed camping, hiking, fishing, cooking and relaxing on the beach, which is where he met the love of his life, Meredith. They married in Cape May in June of 2010. Six years later, they had the light of their life, Caesar Sadusky. That is when Jim’s greatest passion blossomed, which was being an amazing father to his son.

Dear husband to Meredith Sadusky (nee Smith). Loving father to Caesar Sadusky. Son of Susan Nece (Edward) and Joseph Sadusky (Jody). Devoted

brother to Mark Sadusky (Lauren), Marissa Nece (Victor Fontana Jr.), Jordan Sadusky (Brittany) and Justin Sadusky. Son-in-law to Lisa Smith. Brother-in-law to Lindsay Kiszka (Jeff) and Ryan Smith (Ashley). Uncle to Natalie, Trevor, Cooper, Sydney, Olivia and Giabella. He will be missed by many uncles, aunts, cousins and friends.

“ *One of my favorite stories from Jimmy goes back some time to when he and Mark were living in the Northeast and had a very inconsiderate neighbor who would often block the driveway for Jim and Mark's house. Jim was very calm and asked the neighbor nicely, a few times, to not block the driveway. So, when Jimmy had reached his limit of getting blocked out or blocked in his driveway, he got in his Ford Explorer and spun the tires on his stone driveway, paved with loose rocks/ stones.... pelting the car blocking his driveway like a machine gun. LOL ! That was the last time Jimmy's driveway was blocked by the neighbor. Jim always could get his message across, one way or another.*

“ Dear Joe,Sue&Sadusky Family, I would like to convey my deepest sympathy on the sudden loss of Jim. I'm keeping you in my warmest thoughts as you navigate this difficult time. Two memories come to mind as we celebrate a life taken too soon. One- the Hi-Lp hit Jim and Brad delivered on that soggy field in Voorhees? I can still hear the echo of clashing pads and helmets through the marsh. Secondly,back on 7/7/16, Jim called to wish me a Happy 60th birthday. I was deeply touched.He wanted to bring his son to meet me. Sadly that never happened.This is my final memory of Jim and I cherish it, Peace,Love and God Bless You. Bob Ludzinski

“ My heartfelt sympathy goes out to Meredith and Caesar. I have many fond memories of Jim working in my office and developing his architectural skills. And once he met Meredith, and Caesar was born, I saw a wonderful man, husband, and devoted father. He will be missed by so many. We have lost a caring and respected man way too early.

“ To my best buddy Jimmy: I will miss you brother FOREVER. It will be hard not having you around and on my side. I am comforted by the memories we shared together over almost 40 years of friendship. I have and always will consider our friendship to be one of the greatest blessings of my life. By the hands of fate we came together, may those same hands reunite us one day. Until that day RIP.

To Meredith and Caesar: My condolences for your loss. May you find peace and understanding during this difficult time.

My deepest sympathies to ALL who knew and loved Jim.

With love and compassion,
