“ I went to HS with Jim and remembers him as nice, gentle and quiet. I got to reconnect with him when planning our 50th reunion. His help on the planning committee was very much appreciated! He fought a valiant battle. RIP my friend.

“ Just like to say how sorry to everyone I guess the only consolation would be the fact of Jim not having to suffer any longer. Nobody really knows how hard it must have been for him, he was good at saying all is well when it wasn't. Of all my many cousins and relatives Jim was the most humble and kind the love he had for his family was so evident to all. Every time we think of Jim we will always smile because he had the greatest smile and everything was always good to him no hypocrisy here. I have many fond memories of memorial day, 4th of July and labor day picnics those days were such happy times of days gone by. Little Mila was the light of is life I pray her happy memories will bring her comfort in the days ahead and the realization that he is happy now in a new home that Jesus has prepared for him. Much sympathy and love, Midge and Ed Krystofolski
