

Jane Marie Burdalski

June 19, 1958 - August 16, 2021

Jane Marie Burdalski (nee Heim), of Medford, NJ, passed away peacefully at her home, surrounded by her family, on August 16, 2021. Born in Baltimore, MD to the late Joseph Edward and Mary Patricia Heim, she was 63 years old.

As an oncology nurse for 38 years, Jane devoted her life to caring for and helping others. That devotion was never more apparent than in the way she loved and cared for her husband, three children and seven grandchildren. Her selfless nature and ability to make all around her feel special will forever be missed.

Jane was the beloved wife of Wally John Burdalski for 41 years; loving mother of Matthew J. (Lauren), Bryan J. (Angela), and Emily J. O'Brien (Colin); cherished Nana of Jackson, Ava, Jace, Hailey, Abigail, Owen, and Gavin; dear sister of Judy O'Dell (Doug), Mary Kay Kennedy (Jay), Jay Heim (Patty), and Mark Heim (Wanda). Jane is also survived by many nieces, nephews, extended family members and friends who will miss her tremendously.

Relatives and friends are invited to gather at Givnish of Marlton, 398 East Main Street, on Friday evening from 6 pm to 9 pm. Her Funeral Mass will be held at 10:30 am at St. Joan of Arc Parish, 100 Willow Bend Rd., Marlton. Interment will take place at Mountain Ash Cemetery in Laporte, PA on Monday, August 23 at 10:00 am.

“ *Dear Matt, Mr. B and family,*

I am so heartbroken and sorry to hear about Mrs. B. When I heard, I knew I had to share the horrible news with my mom. We spent a long time just reflecting on the past, 🏈❤️ especially about how kind and caring and awesome Mrs B was.

I will continue to pray for her in heaven and for her amazing family to allow the great memories of her to help them through this most impossible time.

“ *I am rarely at a loss for words but ever since I heard about Jane I struggle to adequately express my thoughts. Jane and I met in high school and I still haven't met a sweeter soul. We laughed and cried through everything the teen years brings and I treasure every moment we had.*

Wally, Matt, Bryan, Emily and all of Jane's family: I send my love and hope for your healing.

Rest In Peace my dear Jane.

“ *What a beautiful tribute video. It’s so easy to see how much love you all have for Jane and she for you. I will always remember her as my college roommate and fun loving 20 year old but she was so much more. What an amazing, well lived life she had with such wonderful family and friends. Wally, when you met Jane that first week of our freshman year of college it was plain to everyone that you had met your soulmate. You have built a wonderful life together which was devastatingly cut far too short. You and your family are in my thoughts and prayers. Jane will be sorely missed by everyone who’s lives that she touched.*

“ *Wally and family I am so very sorry for your great loss of such an incredible woman. I met Jane the first day of school when I was a new 8th student. We became best friends and were very close through all of our high school years. She was an amazing friend. I will miss Jane. Her handwritten Christmas cards were something I looked forward to each year to get caught up on your family. We are holding you all close in prayer. Love, Debby Powers Shadle*

“Imagine There’s no heaven ... no hell below us, above us only sky.”

Jane, you are the reason we need a heaven because its impossible to imagine that such a transcendent soul – so full of love, joy and caring – could just go away. The world needs your spirit, whether it manifests itself in others who know you or in heavenly creatures you never knew.

Our hearts ache for your life partner Wally and the children who are left behind. None of us can imagine the pain and emptiness they must feel knowing you are gone from their lives. We will remember you always for the lovely person you are.

“ I first met Jane when I interviewed for a job with the oncology practice in Cherry Hill. When I arrived Jane told me the position had been filled a day before but she still wanted to interview me in case something opened up in the future. I remember telling my Mom I was more upset about not getting to work with Jane than I was about not getting the job! She drew you in with her warmth and genuine personality. A position did open less than a year later and I had the incredibly fortunate pleasure of working with Jane as a nurse. She defined grace, integrity and easy friendship. She was such a wonderful nurse and an even better person. She was so proud of her family and the incredible love they shared was obvious. I was so fortunate to cross paths with Jane and she made this world a better, kinder place. And I will miss her. My heartfelt sympathy to her beautiful family. God Bless. - Peggy Kenny

“ I met Jane when I was 12, after my family decided to build a summer cottage at Lake Mokoma, PA. We became fast friends. Through our teenage years, during those summers at the Lake; many wonderful memories were made. As an adult I didn't get back to PA as much as I would have liked, but Jane and I always kept in touch every Christmas and would update each other on our lives. Jane truly is a part of the fabric of my life and I will miss her deeply. My sincerest condolences to Wally and the rest of the family.

“ Jane and I met when we were 6 in Wayne, PA. We spent all our free time together. We walked our dogs every nite and spent weekends playing with our Barbie dolls on the porch. Between us we must have had all the accessories. Our families vacationed nearby in Sullivan County, PA so we spent many days at the lake together. Such fond memories of laughing and giggling on the side porch in Laporte, PA. When the family moved to West Chester, PA in high school we got together as much as we could on weekends. We went our separate ways in college but were close enough that we could visit each other. We were in each other's weddings and when Jane moved to New Jersey, we met up with our husbands and kids sometimes. I ended up living near Jane's parents so we would meet up there for play dates with the kids. Jane had a rewarding career as an oncology nurse and we often talked about that. Such a tough yet rewarding career.

Over the years we saw less of each other but kept in touch vi email and Christmas cards. We could always pick up where we left off. Jane was part of my soul and there is a part missing now..... rest in peace Janey.

Love and hugs to Wally and family. Wally was Jane's love since college.... I remember when we first met at a college Frat party. I wish you comfort in this tough time.

Love and hugs to Jane's brothers and sisters. I always felt so close to all of you and wish you peace in this sad time.

“ I write this with great sadness over the loss of my amazing friend Jane.

She fought a brave and strong battle. She took each day in stride, never really complaining, she would repeatedly say "I'm fine" even when it was obvious she was not.

Jane was loving and real. A wonderful mother to her three children and grandchildren and a special wife to her life partner, Wally.

I remember the first day we met after she returned from her maternity leave from Emily. I knew from her gentle way that we would become close colleagues. I have so many wonderful memories of our 23 years working together where she showed her unique gift of caring and doing whatever it took to give the best care to her patients. We shared long afternoon conversations and many many laughs that I will always cherish.

Her beautiful spirit will live on through her children and husband, and they should never doubt just how much she loved them.

Now my hope is that she rest in peace knowing she did all that she could.. She will always have a special place in my heart.

Love, Nancy
