“ Jane, we had some great times together. I, the little sister who could drive you crazy. You, the big sister who made bread with me, taught me to drive. Fun trips in the boat to get the mail. And, ah, the pets...Rusty, Mittens, Barney, Spooky, and beautiful Blackie who loved the lake as much as you.

Love surrounded you these last years. Such a gift. Enjoy the peace that surrounds you now.

“ Bee, you were so wonderful to my two daughters Elizabeth & Caitlin showering them with warmth, love and affection - they both burst into tears when I told them the news. To me, your 15 year old stepson (in 1979) you were a great step-mum (and genuine friend) from the get go, welcoming me into your life like I was one of your own.

You were a lady, a sense of great pride to your father Nate and when dad (Philip) met, married and moved to the USA with you, it was the start of one of the happiest periods of his life.

Some great and very happy memories over 40 years not to mention the laughs!!!

I can see you now, early summer morning, in a very serene Harvey's lake, making hardly a ripple with your side crawl swimming style

God bless you Bee x x x
