“ I met Janet even before I was called as Pastor to Calvary Presbyterian Church. because she was a member of the committee that interviewed and recommended me to the CPC congregation. She was full of fun and full of God's Spirit. Over the years, we had many chats about life and faith, church and family. Whenever I saw her, her face radiated a smile that could only be defined as angelic with a twinkle of mischief! She had an infectious laugh and cherished her family. Her faith was not part of her life, it was her life. Rest in the loving arms of the One you know as Savior, Jesus Christ. And thank you for being my friend.
