

Janice Wrosek

February 19, 1941 - July 28, 2025

Janice Wrosek, of Medford, NJ, passed away peacefully on July 28, 2025, at the age of 84. Born in Newark, NJ, she was the daughter of the late Benjamin and Wanda Wrosek.

Janice was the beloved mother of Janine Magee-Koshowany (Bill Koshowany) and Michael Firner, and the cherished Grammy of Alissa and Benjamin Magee. She will be remembered for her warmth, strength, and spirited independence.

Janice had a lifelong love of dancing and treasured summer days spent in Ocean City. A woman of great determination, she returned to school later in life and earned a bachelor's degree in psychology from Kean University—an achievement that reflected her resilience and intellectual curiosity. Above all, she was the “world’s greatest mom,” a title she wore with love and pride.

Relatives and friends are invited to gather in her memory on Thursday, July 31st, from 10:00 AM to 11:00 AM at Givnish of Marlton, 398 East Main Street, Marlton, NJ. A prayer service will begin at 11:00 AM, followed by entombment at 1:45 PM at Gate of Heaven Chapel and Mausoleum, 225 Ridgedale Avenue, East Hanover, NJ 07936.

In lieu of flowers, donations may be made in Janice’s memory to The Michael J. Fox Foundation at www.michaeljfox.org.

“ To my dear friend, I think of you often and will miss you very much. 57 years is a long time to have such a great friendship with such a special person. My prayers are with you and your family. How fortunate you are to have Janine and Michael and your granddaughter in your life. What special memories.
