“ I met Jen when we both were very young and taking care of our babies. She asked me to join a group of women that her sisters-in-law were in and we became very close. I loved her Irish accent and was impressed with her sewing talent. I think we were friends for more than 50 years. I was saddened when she got sick and I always thought about her. I will miss her but I'll always hold her in my heart and prayers.

“ Words are never adequate in moments like this, but I want you to know, my heart goes out to your family, and I will always remember the joyous memories that I have been privileged to have in knowing your Mother and her family. Since memories are portable, we can take our lost loved ones with us anywhere at anytime, as I will with your Mom. God be with all of you. Love Teddy
