“ Jeremy is my nephew. I am his Aunt Bonnie, sister of his Dad, Jimmy D Westfall. Our hearts are broken here in Oklahoma. Even though he and I were not close, we had a common bond because we both served in the military. He was so handsome in his military uniform when he came for his grandpa Jim Westfall's funeral a few years back. Like all military folks know, you don't have to see each other to hold the family in your heart. We will sorely miss him.

“ My sincerest sympathies, love and support go out to Vicki, my brother Chris, Cathy, Ambra, Christal, Heather and all of Jeremy's closest friends. I knew Jeremy when he was in grade schooland he and Ambra spent a good deal of time at my house. I did not see him again until 3 years ago when he came to my Mom's (his grandmother) funeral. At that time, he did not remember me or his time in Palmdale, California at my home. I was proud of the handsome and responsible young man he had become. In closing, I would like to say to Jeremy that he certainly has made an impact on many peoples lives and he will be greatly missed by everyone who ever had contact with him. Your Grandmother Jean, with whom you share a birthdate,will be welcoming you to Heaven with open arms. Love You

“ I never had the pleasure of meeting Jeremy, but I work with Vicky at Penn. She spoke of him often and we talked regularly about their ongoing kitchen renovation. Vicky is a wonderful young woman, and Jeremy was clearly her special one. That is all I needed to know about him. If Vicky loved him then he must have been a wonderful man. On behalf of my family, I wanted to extend our condolences to Jeremy's family and to our Vicky. You all remain in our thoughts and prayers.
