“ *I remember playing cards with Joan and going on trips. We really had a great time!  
I also remember her bringing all of her children over to my home on Cinnaminson Ave and Jimmy climbing the fence at our house. I spoke to her two weeks ago and I am so glad I got the chance to talk to her one final time. I was very sorry to hear of her passing. I am sending my condolences to all of the family in New Jersey. I will deep in touch Sue. Thank you for letting me know about the tribute page for my good friend. I wish I could attend the service but it is a long trip for me from California.
