

Joan M. Fink

July 23, 1958 - April 18, 2021

Joan M. Fink July 23, 1958- April, 18, 2021

Our dearly beloved Joan “Joni” Puzzutello- Fink departed her loving-(ish) family on 4/18/2021.

She was survived by her dysfunctional family with whom she is very proud of, her sweet and patient life partner Scott MacMinn; and angelic children Roxy, Jacquie, Allie, Jaime, Trevor, and Tommy. Joni also loved her dear grandchildren Haylie and Calista because she can always give them back. She will be greatly missed by her wise older sister Marianne Puzzutello-Engrissei, whom both thoroughly enjoyed competing in who can get the last word on the telephone.

Joni raised her children in Marlton, NJ with love, devotion, and multiple wooden spoons. She spent her life as a nurse and was proficient in caring for the needy (A.K.A. her 6 children) and yelling at the medical shows when they were clearly making mistakes. Her hobbies included sitting on the beach and making some bomb Italian food that she would share with anyone, even if they weren't hungry. Joan was world renowned at "telling it like it is" even if you didn't want to hear it. What she lacked in stature, she made up for in her feisty and tenacious willpower to never back down.

We find peace that's she is with Jesus sitting on the beach right now eating, drinking, and getting all fat and sassy.

Per her request a private memorial service will be held amongst close family and friends in which she asked us not to mourn but celebrate her life.

In lieu of flowers a memorial page was made for the family to assist with final medical expenses and funeral costs. Link below.

“ *I met Joni in 2011, at that time, we were 2 RNs with no job. I shared with her that if I didn't get a job soon, I would loose my house. Joni got straight to work on this matter. She started networking within her church and found us many jobs. She would split her hours with me, we had enough work to take us thought the unemployment period. Her friendship was unconditional. My condolences to the family, she will be missed forever.*

“ *You made life better for the many you "nursed" with your compassion, care and gentle kindness. Sweet, bold, funny loving woman who raised 6, yes 6, wonderful children. You were truly an angel in disguise and will be missed. Knowing you are with Rose and Freddie, and yes Donna, is comforting. Wishing you comfort in God's arms. See you guys later.*

“ In Nov of 2016 I lost my best friend to breast cancer. I prayed to her and asked her to send me an angel. The very next month I met you through a post on Facebook and we became fast friends. Then in January I got the flu and ended up in ICU. They had pick lined my carotid and after being there for 4 days was ready to be discharged. I was terrified. At the time I was caretaker of a 92 yr old man and was afraid to be alone. So what do you do? You take me into your home give me your room and take care of me for 3 weeks!! My friend truly did send me an angel. All the people you have helped thru the years. Your prison ministry even going to other countries to help the sick and the poor! You will never ever be forgotten and always loved.

“ Joanie, you know you have a great friendship/relationship when it's been many when you meet them and that friendship can pickup where you left off at one that lasted 39 years with almost a 2 1/2 decades apart and each time it was much more than coincidence that we ran in to each other and from no kids to six kids, from my 67 Mustang to a vehicle you called the "Blue Bomb" that was at a wawa in Pennsauken, and you met my fiance Amy that was 1997 then we kind of loose track of each other until around 2016 at a CVS in Medford,. NJ it was Godly intervention. We shared laughs my sarcastic humor and your wit and medical knowledge has helped Amy and I many times. 1 John 3:18 WE will once again meet In a short time at our eternal home.
