“ We are so very sorry for your great loss. Joanna was a beautiful woman. She spoke from the heart and shared her thoughts freely. Her beautiful smile and love of life were so contagious. Weeks before Adam's heart transplant surgery she gave me a heart shaped rock that she had found on the ground. She told me that this was a sign that his new heart would come soon. We hold her in our hearts and memories. Look up to the sky and see her in God's light. May she rest in peace until we meet again. Love,  
Aunt Theresa, Uncle Harry and Adam

“ *Joanna. My heart is broken. I loved you like a sister. I will always remember all of our camping trips and crazy fun in our youth. George Thorogood, Bob Segar, Bruce! Partying in your moms basement or in your room. Sleeping in the fire, looking for deer, canoeing, cedar water, jersey devil, state fair with Charlie Daniels, lazer shows in philly, skyline drive. Even after not seeing each other for a while we picked up right where we left off without skipping a beat. You were always there. I will hold my memories of you close to my heart and never forget. So so hard. Love you always 💕💕*
