“ To The Gentile Family We send Our deepest Sympathy on the lost of Your Mother, Grandmother, great-grandmother and sister. I knew Mom Gentile for 12 years but had the opportunity to share some conversations over the last few months. She was such a joy, such a gentle woman, and spoke so highly of her whole family. All her Grand Children were mentioned one after the other in every conversation. She loved her sons dearly, Talked about them all the time. She told me her John was really funny but little did everyone know, Robert is funnier. And they had the best wives and they were so good to her. And Stephen was her baby and he is amazing, "He can do anything Jack of all trades. Just wanted you all to know she was always thinking of you all. With Our Prayers and thoughts Steve & Kathleen Roberts.
