“ *I've know the Alcorn family for many years; Charlotte Alcorn is one of my oldest and dearest friends; I have many happy memories of the Alcorn household; one of which I especially remember is Mr. Alcorn making pancakes for Sunday morning breakfast; then going to 11:15 mass; Mr. Alcorn was kindhearted fun spirited; and always made everyone feel welcome. May he Rest In Peace.*

“ I know John & Carol through their daughter Cammy. She has helped me -- and so many others -- understand and manage the challenges of caring for a loved one with Lewy Body Dementia. If her compassion and love is only a fraction of what John gave his family & friends, then all who knew him must have been very fortunate. May all who loved John find grace and comfort knowing that he is now at peace.

“ *My Pop was the most easy going guy I knew. Never wanted for anything and always appreciated the simple pleasures in life, like a good scotch, a smooth cigarette, and spending time with friends and family.*

Jack and Carol. The couple so loved by many. Hearing the names - Jack and Carol - brings joy to our hearts; smiles to our faces; thoughts of love, honor, respect. Joined forever in their bond of love, they blessed all of their friends with warm feelings.

Jack and Carol are now separated by heaven and earth, but will reunite according to the will of God. We will always treasure our friendship with Jack and Carol. God bless!

Jack's soft approach and easy going style was the envy of many,me included. He had a fuse that just couldn't be lit. Perhaps he'll ask the Lord to give all of us the patience needed to cope with life. Hope he does. Eternal rest grant unto him ,Oh Lord, and let perpetual light shine upon him. May he rest in peace.Amen

What a handsome, loving, gifted and fun-loving man was Jack Alcorn! What memories of mine he is central to! The legendary basement parties at the big house will live forever...the sing-songs round the piano...his joke telling..his deft handling of the heat between my Mom and Aunt Josie....and that smile!! The world would be a finer place if we had overstock of men like him. Sail on, sweet Jack!

We had the pleasure of being neighbors and friends of the Alcorns in Saint Helena's. Well, neighbors around the corner. It was a good time, a great place to raise a family and life was good! We left Philly almost 40 years ago but the good memories are timeless. Jack Alcorn was a man of many talents and being a friend was one of them! We pray that he is enjoying some heavenly piano and that we will see him playing it there someday!
