“ John and I was appointed with the Philadelphia School District, School Police Class of February 14th, 2000 and sworn in by taken the oath of office in the court of Common Pleas in Court Room 640. John and I have worked together in many event school events. I found John hard working, sense of humor and had fashion style when off duty at different functions. Prayers going up for the family. Respectfully, SPO. Diana P. Napier, (Retired)

“ My cousin John was always a gentleman never criticized anyone. John loved to dance and could dance all night without perspiring. In fact he would dance with every female that was available. My fondest memories were his affiliation with Club Emanon and their many cabarets, boy did we party. Cousin, I will miss you but the memories will live on for you are the last old time ‘bopper’.
