“ *I thought about you all day today and will do the same tomorrow. As a matter of fact there has been little else that I can think about. John you were the greatest friend and neighbor anyone could have asked for. I keep thinking of how you always came to our house on Easter Morning to be the "official" Benson family Photographer. I have so many of those photos along with others that have wonderful memories attached to them. From the Man Dates you and Ernie used to go on, to all of the New Years Eves right up to the last Happy Hour before we moved to SC. You have been such a warm and wonderful part of our lives. I want to thank you for wearing the silly hats at our New Years Eve parties, for doing your wonderful impersonation of Steven Hawkins and not to mention always having to leave any party to go feed the dog. Rest now my friend and know that a brighter star shines in heaven because of you. With Love Ernie, Paulette ad the Boys*
