“ My favorite memory of Mr Cutillo was from mass. He was the guy who collected the envelopes/money. Now you gotta get the visual here... Mr Cutillo dressed to impress at church. I mean shark skin suits was the norm not a hair out of place. If you didn't know him you'd swear he was apart of a particular Italian collection group. So when he came to my pew and I placed my envelope in his basket he would jokingly tap me in the chest like he wanted me to put more \$\$ in the basket. Now I knew he was joking but everyone around me didnt... so it looked like I owed money! Then he would smile at me and wink. What a great guy. I'm going to miss him 🙏 RIP Mr. Cutillo God bless
