“ *Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar,  
When I put out to sea,*

*But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.*

*Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;*

*For though from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crost the bar.*

“ Diane and family, to say we are shocked and saddened is an understatement. We always knew Jack to be everyone's friend. He was always willing to jump in and help out when an extra hand was needed and to lend his expertise as well. He will be truly missed by all. We will keep you all in our prayers and hope that happy times of the past turn the sad tears into happy ones. Jack, thank you for all the laughs and fun times over the years. We know you are most likely already engaged in a game of LCR with St. Peter and it would be wise to let him win! Rest in peace our friend! Love, Geri & Tim Scassero

“ Jack was a customer here at dredge harbor, but will be remembered as a friend. He and I had a great relationship that was never obvious to most. Both of my daughters(one who still works at Lockheed) did internships at Lockheed. Both of my daughters work in the aerospace business because Jack gave them that chance. I thanked him a number of times, but he always said to me...." they got the job on their merits". He was a great human being, and I will miss him. My heart goes out to Diane and the family.
