“ I worked with John and Bobby in the early 90's, right out of college, I was fresh off the press as they would say. I truly loved laughing and spending time with both as they showed me the ropes of the prepress business. Being from central Jersey I was an avid Giant's Fan, John and I would bet on games for various items, typically, 5 dollars here, 5 dollars there, however one big game I won, and John and Matty (Fillman) had to wear "Giants Blue" for a week and, at the end of the week the two bought me a Giant's shirt in good team spirit ! That was over 25 years ago, I still break that baby out every time the Giants play the Eagles and smile and think of them. Years have passed but the hold both John and Bobby have had on my heart will always remain. God Bless the entire Stecklien family and friends. Forever in my heart. - With Love, Nancy Logan (for John I might even be ok if the Eagles go all the way....at least I know I will think of him if they do....)

“ I will always remember the night we went to see "Steve Hackett's Genesis Revisited Tour" in Collingswood. You were truly time stepping thru the Genesis songs.

“ John was a brilliant person. Many wonderful memories in our younger years on Meridian street. Never forget Johnny's patience teaching me how to throw a curve ball. Rest in Peace. The McCarrick Family

“ I met John when I was 6 years old. I do not have a single childhood memory that does not include him. We have been friends our whole life. He was the best man at my wedding.
I always said to him "There is only one best man". Love you and will miss you until we see each other again in Heaven.

“ John was a childhood friend, a high school friend and like a brother when we got out of high school. I was lucky to have someone like him in my life
