“ My daughter got to spend every first Holiday with you for the first year of her life. I think she will remember and the short impact you left will last a life time. You where not my blood grandfather but I sure loved you like my own. You left a huge impact on my life and I’m forever grateful to have got the pleasure of meeting you. I love you pop and will truly miss you even if my daughter picked up the word shit from you lol. Thank you for your daughter Sheila I never got a chance to thank you for her and Jacob. “ So my Grandpop seemed like a tough man, but he was a giant teddy bear! I always had to call him back because when we hung up, he wouldn’t tell me he loved me. I pestered him so much that he would say it every time. ❤️
