“ Uncle Johnny was the most loving free spirit I've ever known. I'll never forget my childhood memories of coming over and swimming in your pool every summer, to you coming and living with us. I'm happy we got to share the same sleeping space, where we would lay awake at night together and listen to your favorite music and talk about life. I'll never forget your voice, when you would sing with me, I can still hear it in my head. I'll never forget when you would see me and start singing the song Victoria by the kinks... You were a great man uncle Johnny, thank you for opening up to me and sharing so many stories, many I'll never forget. You were truly one of a kind, I love you.

Love always, Victoria

Rest easy and keep jamming on in the sky
