“ *We loved visiting Uncle Joe's house, especially during the holidays. He always made you feel welcome and right at home. We will forever miss his generosity, selflessness, and of course his world famous high ball cocktails. One of the nicest men we have ever met, proud to share his last name.*

“ *Uncle Joe was always great to visit during the holidays. He will be missed by many. No matter what ailess he dealt with he would never let you know and was always great to be around. I will always remember singing jingle bells in his basement. He was one of the kindest caring gentlemen.*
