“ I met Joe 30 years ago when I started my real estate career. Joe was my go to electrician. He serviced many of my clients, family and friends and we all just loved working with Joe. I'm so very sorry and sad to hear of his passing. He will be so very missed. Sending prayers and condolences.

Joe was such a kind man, always a very caring person. He helped me, when I was selling real estate. He was a tremendous help for more than 20 years with various electrical needs in my own home after my husband passed. I was so sorry to hear of his passing. Please accept my sincere condolences.

“ I also knew Joe 60+ years, also having moved to NJ, from Philly 'burbs. We all were moving into what then was a new development from other places at high school age, so developed pretty close and lasting bonds. Joe was a great guy, warm, kind, and funny. I will miss him very much!

“ Knew Joe 60+ years. We both were from Philadelphia and moved to NJ in the early 60's.. Joe always had a positive attitude and never had anything bad to say about anyone. He was one of a kind and will be missed by many including me.
