“ *Hello, I am Jerry McKechney's sister. I met JB once before at my Mom's house when he was with Shawn and Jeff. They were all always very polite. I just wanted to let you know that your family is in my prayers.*

“ *We are deeply saddened to learn of Joe's passing this past weekend. Our heart felt condolences go out to you at this very difficult time. We were able to get to know Joe through our son Ren, who grew up with him and we always thought highly of Joe, through thick and thin. He was a nice boy and a fine young man and we all enjoyed being around him. We will never forget his smile and outstanding personality. Our prayers go out to you at this unfortunate time.*

“ My prayers are with the Lehman Family. Joe built my garden and pond in my yard last year with my daughter for my Mother's Day present. I will plant something in his memory. I loved him very much.
