

## Joseph Hutton Marshall

July 6, 1932 - July 4, 2018

Joseph Hutton Marshall, age 85, died July 4. He is survived by his 3 daughters, 4 grandchildren and many nieces and nephews. Husband to the late Arlene Curry Marshall and son of John and Mary Marshall, Joe was raised in Pennsauken NJ, along with brothers Bob and Nelson. From the time he was a young boy he was fascinated by aviation.

Joe graduated from Drexel University, a member of Tau Beta Pi. He began his long engineering career at Bell Labs, which later included RCA and RFL, before starting DuraCom Corporation in 1972.

Since the only wake he ever wanted was the one behind his boat, Joe requested no funeral services. Donations in his memory may be made to Drexel University, College of Engineering, Philadelphia PA.

“ *I'm so sorry to hear of Joe's passing. He was truly one of a kind. I remember as a kid having great ideas. He was the first one to say "Try it out". Of course not everything worked, but he definitely encouraged my curiosity. I'll miss him, but I'll remember his endless curiosity and his encouragement.*
