*Your tribute to your Dad was beautiful. Joe was a wonderful man and your Mom was also wonderful. I started going over when Paul and then Danny were born to help and just be with your Mom. I started babysitting the boys who were gifts from God by the age of 9 (yes they trusted me from all the time I spent at your house). I also babysat the ever growing family when Teresa, Colleen and then David came as gifts from God. Joe used to joke that they were trying to keep up with the McCarty family and have 6 children like us. I also worked at Mr. Donuts for several years. My heart and love are with you all. I remember your family all the time and how much love there was. God Bless Joe and Family!
