“ *I am so sorry for the loss of your mom. Jewel was not only a client of mine, but a dear friend as well.. I have so many wonderful memories of her. I only knew her for a few years but it seemed like forever. I enjoyed caring for her and spending time although her. She was one of the sweetest people I've ever met. God rest her soul.*

“ *My deepest sympathy in the loss of Jewel. I go too far back to even say with Jewel and Richard. It was always a pleasure to be in their company or talk to them. May she rest in peace now with her beloved. May the Good Lord give you strength and courage to carry on in the days ahead without Mom. God Bless You All.*
