“ My memories of June are from our youth...they include weekend trips to Wildwood..with a total of \$15 in our pockets...we relied on her aunt and uncle to not let us starve! I have fond memories of us playing in Hallahan's orchestra in the Academy of Music! Fun times included us dating brothers who had a 57 Chevy convertible and how spectacular we looked (just ask us) for our Senior Prom! I have missed her for many years and continue to do so. June loved her family beyond words.My condolences to you all!
