

Karen Elaine Heinsinger

December 14, 1950 - January 18, 2019

Karen E. Heinsinger (née Eibye), a resident of Shamong, passed away on January 18th surrounded by her family. Beloved wife of 45 years of Charles J. Heinsinger. Dear mother of Charlene E. Weber and Michelle L. Heinsinger. Grandmother of Gavin and Brooklyn Weber. Karen was born in Moorestown and attended Moorestown High School. Karen went on to Glassboro State College where she earned her bachelor of arts degree. She was a retired teacher for Mullica Township public schools. Karen had a bubbly personality that lit up the room. Her love for her family and friends was evident as was her love for the beach. If she wasn't spending days at the beach she was continuing the role of # 1 cheerleader for her girls and grandkids throughout their sporting events. Karen lived life to the fullest and went on to instill that into her children. Let's all remember this wonderful woman by her very own words: "Damn she was thin!" Family and friends are invited to celebrate her life on Saturday, January 26th starting 1pm at Givnish Funeral Home of Marlton, 398 E. Main Street. Sharing by family and friends will start at 4pm. Donations in Karen's memory may be made to the Bridge of Books Foundation (bridgeofbooksfoundation.org) To share your fondest memory of Karen please visit Givnish.com

“ *I send my deepest condolences to the Heinsinger family. I worked with Karen at school. We would also go to the Health Club in Hammonton sometimes after work. I remember one Saturday calling her because we were going to work out together at the Health Club. I told her not to come to Hammonton because I wouldn't be there due to a horrible migraine I had. It was the first and only migraine I ever had in my life, thank God! She explained to me that she suffered from migraines and would bring me something that helped her. I told her not to make the long trip, especially since I was unable to work out. I remember laying on my sofa feeling nauseated due to the severe migraine and wondering how those who got them continuously could deal with this. It gave me a new perspective and compassion for them. Before you knew it, I heard a knock on the door. It was Karen bringing me what helped her with migraines. I took it, and it worked. It was so thoughtful, considerate, and kind of her to drive to Mullica to help me. I pray God gives you strength and comfort, and may her spirit live on through all of you!*

“ I truly loved Mrs. Heingsinger from the beginning, as my kindergarten teacher... so much so that I was lucky enough to have her at my wedding 10/11/08! I have issues with memory due to Epilepsy, but I've never forgotten her and will always smile, knowing that I had her in my life on many levels!

“ Mrs. Heinsinger was the best kindergarten teacher! I love and cherish all the memories from when my sister, Sarah, and I would sleepover to play with Michelle and Charlene and we could never forget the Band-Aids!! I can remember her going dancing with my mom and I would think it was the coolest thing that my mom was hanging out with the teacher. She would always have a smile that would light up the room! She will be missed and I pray that her family can heal by reading all the fond memories of life she has touched over the years. She was truly a blessing and I'm so thankful she was in my life!

She was a lovely person and a great mom to Michelle and Charleen. Our condolences to Charlie, Michelle, Charleen and family. She is at peace now and may your happy memories carry you all thru at this sad time. God bless you all. Mary and Charlie Hertneck
