“ So beautiful I can't remember a time in my life when my Aunt Kass was not there for me. From holding my hand when my grandmother passed in 1970 or helping me put on my wedding shoes. I loved her so very much. Prayers for you all.

“ I have many fond memories of Aunt Kathy. My favorite times are when she'd come out by the pool while we were over swimming. I loved her stories, her laugh and her generosity. She always had a treat in her pocket for Grayson, extra chili she made, basil or strawberries she wanted to share. I always appreciated her checking to be sure we had enough sun block and bug repellent on. Most of all, I appreciate all the ways she loved and cared for my husband. She played such a big part in his life growing up. She will be missed! Love, Rebecca

“ Aunt Kathy always made chicken soup for me when I was sick. She made it the way I liked it (without peas). I will miss her. Love, Grayson
