

Kenneth J. Carn

June 7, 1948 - December 19, 2017

We are sad to share the news of the passing of Kenneth Carn on December 19, 2017, due to complications from cancer. We are sorry to have lost him, but we know he is at peace. We are grateful for the time we had with him, we will cherish our fond memories, and know we will be together again.

Ken worked as a graphic designer for Burlington County Times and also the Courier Post for many years.

Ken leaves behind his loving wife of 30 years, Kathy, and his loving son and best friend, Chris. Also, his furry friend Jewels will surely miss him.

Ken is survived by his sister, Kathie Reiselt, and his brother, Michael Carn (Janice). He is predeceased by his brother Joseph Carn (Karen). He was the brother-in-law of Patricia DeCamp, Sandra Fisher (Lee), and Edward Iannuzzi (Debbie). He also leaves behind countless nieces, nephews, and special friends he has met throughout his life.

Ken's first love was his family. His second was his music. He loved writing music and playing the guitar and violin. He loved the Beatles, and he was also a talented artist. He was a fan of the TV show "Dr. Who", and his favorite phrase from the show while going through cancer was, "sometimes the only choices you have are bad ones, but you still have to choose."

Relatives and friends are invited to attend Ken's life celebration gathering at Givnish of Cinnaminson, 1200 Route 130 N., on Saturday December 23rd from 9 am – 10:30 am. A Mass will follow at 11 am at Sacred Heart R.C. Church, 4th Street and Linden Avenue, Riverton. Interment will be private. In

“ Dearest Ken,

It's been one month now since you've been gone and I miss you very much. Last night I started writing and jotting words down, crying, and my feelings started to come out on paper:

*Early morning I awoke
to the sound of quiet in the room
I jumped up to see only to find he was gone.
I wanted to hold his hand one more time and
tell him that I loved him and not to be afraid
only to see he was gone.
I wanted one more day with him but that wasn't to be
as he was finally at peace and free from pain.
It's been a month since he's been gone and I still awake
to the sound of quiet in the room and I miss him more and more... I
wish I had one more
day.*

Love you forever.

“ *I just met my new neighbor Ken less than 6 months ago and knew he was one of the nicest guys to walk the face of the earth. I thought of him every day as I would take my puppy out for a walk and she would pee under his window. I would wonder how is he doing. We had one nice long talk about life and I was looking forward to more discussions. I told him we are all on the USS Indianapolis and we are all floating in shark infested waters. One by one we will be taken by the shark never to be seen again. He will be missed. Our condolences to Kathy and Chris. We are just next door and are here for you anytime.*

I was Ken's personal trainer and friend. "He was such a nice man". That was the comment I heard from so many of my co workers and classmates. He fought a hard and good fight never giving up. I admired him and respected him. I also learned a lot from his experience that I can use to help others in the future. Please know he has and will be sorely missed by not just me but all of us in the Cancer Exercise program at Virtua health. We are very much a family at the program and will never forget Ken. Many thoughts and prayers for your family at this time Marjie Zimmerman

“ Ken was a dedicated violin player, a good friend and a wonderful person. He was very knowledgeable about music and was an great asset to our FiddleSticks violin group. He always spoke so highly of his family and enjoyed his little cat. He was a sweet person and will be sadly missed by all.
