

## Kenneth W. Mahoney

November 7, 1949 - April 9, 2020

Kenneth W. Mahoney, age 70, of Cinnaminson, New Jersey, passed away at home on Thursday, April 9, 2020. Ken is survived by his beloved wife of 45 years, Evelyn (Cordero) Mahoney, his daughter and son-in-law, Kelly and Scott Williams, his son and daughter-in-law Sean and Lauren Mahoney; his grandchildren Isabel and Colin Williams and Gavin and Paige Mahoney, and his brother Brian Mahoney.

Ken was born and raised in Philadelphia PA before moving to Delran, New Jersey. After high school, Ken joined the US Marine Corps, where he proudly served in the Vietnam War. He retired as an inspector for Verizon (Bell Telephone). Ken enjoyed 10 years of retirement to their fullest.

Ken is known for his strength and as the patriarch of the Mahoney family. He was a loving husband, father, grandfather and friend to everyone he knew. A Cinnaminson resident since 1978, Ken was known for opening clams at the St. Charles Carnival, assisting his daughter's soccer team, and a regular at Riverton Health and Fitness Center.

All who knew Ken knew he loved taking his wife, Evelyn and riding his motorcycle all over the country. For years he was Santa for Barbs Harley Davison in Mt. Ephraim. Ken also enjoyed going to the beach. 15th Street in Ocean City was his favorite spot. Many great memories and friends were made at the beach and with his motorcycle.

Ken loved cooking for his family and took pride in his spaghetti and clams, and mashed potatoes. However, the greatest joy Ken had was the care of his family. His family meant the world to him.

Due to present circumstances services for Ken were privately held; however, his family will have a celebration of his life at a later date. Please feel free to leave memories and notes on his obituary page for the family by visiting [www.givnish.com](http://www.givnish.com)

“ Mrs. Evelyn Mahoney,  
My sincerest condolences on the passing of Ken.  
He was a co-worker of mine for Verizon at the Cuthbert Rd. garage. For many years, I also served as the union representative for that garage. In the capacity of serving in that elected position, often there would be issues raised over the jurisdiction of work responsibilities, of his Lineman craft. More often than not, Ken was the one that would bring these issues to the union for resolution. He was always a staunch protector of Linemans work responsibilities, not for his own interest, but for the collective Lineman group. Ken was well respected among his peers and I respected him, as well, for his defense of his craft. More importantly Ken was an experienced, efficient and hard worker. Any of us that worked with Ken will never forget him, he was Aman of much pride and very proud of his Marine service.  
You may not recall, but I met you briefly during the annual Myrtle Beach Bike Rally at the house you rented in Garden City. My Harley group stopped by to say Hi, to Ken and Walt Roberts.  
I will miss Ken as both a former co-worker and a fellow Harley Biker.

“ Words can not express the grief that we feel right now. The entire Mahoney and Williams families are in our hearts. My heart is broken to hear about Mr. Mahoney's passing. I have so many memories in my childhood that their family was a part of. Mr. Mahoney always had such love for life and his family and everyone around him. So many holidays our families spent together, he always took pride in the delicious holiday meals he prepared! I will always remember how he tricked me into eating his venison one time. I will cherish all the countless memories in OC on 15th street beach. He would build the biggest wall to block the tide from coming in with his metal shovel. He was always proud of being the first on the beach and always grabbed the best spot on the beach for us all to gather. And he made sure all the kids were out on their boogie boards to catch the biggest waves. I loved how we were all able to pass along these 15th street beach memories to our own children and he was able to see that. And no one will ever forget him at the Mongo's Night in Venice parties. He truly did have an art for shucking those calms. His pineapple vodka was also memorable too! He had a smile and laugh that could make anyone's day even brighter. He was such a lovable and kind person and I will cherish our memories forever. My deepest condolences to Mrs. Mahoney, Kelly & Scott, Sean & Lauren, and his beloved grandchildren Isabel, Colin, Gavin, and Paige during this difficult time.  
Much Love,

“ My husband Ryan and I met Ken at Riverton Health and Fitness years ago. We would often see each other in passing throughout town. Can always remembered the two of us and always made sure to say hello and ask how the family was. A couple years ago, I was a teachers aide at the preschool his granddaughter went to. I got to see him often. He was such nice, positive man. Condolences to the family.

“ Ken loved life. He liked to say "Life is not a dress rehearsal". He was always all in to what he did or how he felt. Ken's greatest love was his family, and he was fierce in his protection of them.  
We will always remember his mischievous smile and laugh, and are grieving that he was taken from us too soon.  
Our condolences to you Evelyn and to your family. Know that we are thinking of you, are here for you, and love you.

“ We are deeply saddened by Ken's passing. We are sending our deepest sympathies and condolences to his family. Ken always had us smiling and laughing whenever we were in his company. We loved to watch him open clams. He was an artist with a clam knife.  
We have many fond memories, but my fondest memory was when we body surfed 15th St. in Ocean City after a hurricane. We started at 15th on one wave and wound up on 10th St. Ken was fearless body surfer. Our families spent a lot of time on 15th St. Ken is gone but we will never forget his universal smile and his friendship. RIP Ken ....one of the truly good guys!
