“ *Debbie and Steve, Even tho we haven't met (yet). Kim and I became very close in the short amount of time I was with her. She was such a ray of sunshine in hardest time. I truly loved her. I am in such shock that she's gone. You two are blessed that she left you with two beautiful grand babies. I am going to miss her so very much. But the thought of knowing that she is in heaven with the love of her life, makes it a little easier. Knowing she's up there in GODS great hands makes me smile. Your whole family is in my thoughts and prayers. Debbie, please if you just need someone to talk to, please don't hesitate to call me. Kim, until we meet again, when it's my time to go, spread your wings babe and fly with the angels. I will miss you something terrible... I love you Kim, and I'll never forget how you made me laugh and smile... Your friend, forever...*

“ I remember Kim. Although I didn't teach her, her locker was outside of my classroom. Kim always made me smile and we will miss her at Maple Shade High School. I am so sorry for your loss.

“ Kim was a student of mine and in class sometimes we would share stories about ourselves and mine were about my children. I can remember Kim saying with a big lovingly smile, "I can't wait to be a Mom, it is all I want" I remember that smile many years later and I chose to remember Kim looking the way she did when she was dreaming of her girls before she even knew them. Rest in Peace...

“ Kim and Steven, I am so heartbroken over your loss of Kimberly. I remember Kimmie in her walker and hearing her little laugh, while we sat on your front steps at Penn Garden Apts in Pennsauken. It just seemed like yesterday. May God bless you and your family in this time of sorrow.

“ Mimmy, I remember the day we met. You were 5 and my Chelsea was 2 weeks old. I watched you grow and was so proud of what you had accomplished. Your babies are the most adorable. I don't know what to say. You were one of my kids, we were family (kind of). Rest in Peace my Mimmy. Your babies have their own Angels watching over them.

“ Kimmie I will remember the sweet little girl running after Ryan down the hallway at school during school parties and the belly laughs you could get out of him and how you could make Chunk smile and laugh. The young woman who was so excited when i was having Julie you tracked Danny down and were able to get to hosital in time for Jules to arrive. You grew up to a beautiful young woman who loved her little family. My heart is saddened you had to endure such heartache along with the great happiness you had even for the short time. I feel we were all blessed to know you and be touched with your kindness! I pray you are at peace and are watching over your two angels here on earth. Many people will be safer here with you as their Guardian Angel!! I love you Sweetheart and will forever miss you.
