“ My friend! My buddy! Always laughing! His love for Mustang GT's turned into a story for my children about a pink pony, it was really a Mustang lol. I watched my daughters pay such close attention to his details of the story and am still not sure who enjoyed it more out of Kirk, the twins, or me! Always on! Never an off switch. I have so many memories. Such a great guy! Such a great family! My twin Phillies fan as we talked about them since we were 9 years old. I will miss you! I will miss you terribly! Give Shawn a pound for me! I love you!

“ We will miss you. Please watch over our handsome, amazing son. He’s going to do great things in life , you are going to be so proud! He’s one of the strongest people I know. He has dealt with so much in his young life but this by far will be one of the toughest times. I will do everything in my power to ease his pain. Thank you for him, he is one of my biggest joys in life and you will always be a part of him. Your memory will live on forever. Rest easy until we meet again. 💔
