“ *I am grateful for the help and expertise Kris provided over her tenure at Oki Data on my Information Services team. I remember fondly her many contributions to Oki Data and to our staff. Kris often proved what a valued employee she was, both loyal and skilled in her IS administrative support role. Kris' cheerful attitude and ability to resolve our colleague's technical and administrative issues were appreciated by all who needed her assistance. Throughout the Oki organization, Kris enjoyed a reputation as a sincere, capable and caring person; professional excellence in every way. Kris' friendship and kind heart will be missed by all of us!*

“ I was blessed to have know Kris and the mosteller family through Eli. Kris always welcomed us to her home, made us feel loved and was easily forthcoming with a laugh or two. Despite her live sorrows she kept a smile on her face. I know she will be blessed to join John on the other side. May her earthly spirit comfort us all who will miss her presence.

“ I was blessed to know Kris as Gama, the loving grandmother to Charlie and Quinn. She always smiled and was truly a best friend to Charlie. It was touching to see how close they were. She will surely be missed.

When water runs an easy river or course,
To bring the heartache to an end,
But easy words are always easy to lose,
I've seen that time and time again,
If you can stand by me like yesterday,
I'll find the strength to carry on,
So let your spirit shine along the way,
And one day will surely come

“ *Shocked to hear about Kris. Childhood friends and always so much fun. Beautiful Person inside and out. Was always the person you could count on. Such a big Heart and I could see from all the pictures on FB that her Family was everything. Recently shared some wonderful memories at Holy Cross High School Reunion which she was a big part in making it a good time for us all and making sure we had enough to eat with her delicious baking. My Deepest condolences to her Family and hold on to all those Wonderful Memories. She will definitely be missed. God Bless you Kris...Rest In Peace.*

“ I have so many wonderful memories of Kris as a coworker and as a friend. Her heart was so big. I will remember our dinners, canoe carnival, shore parties but mostly her laughter. To Josh and family, I am so sorry for your loss. She will be missed.

“ Pictures are worth 1000 words. Kris showed us all how to live life with passion and go "all in " every day to share happiness with those she loved. Kris devoted her happy heart and positive energy to show us how happiness and love can be nurtured. God Bless her for touching us all with such a gift to treasure. ❤️🙏. The "Little Rascals" of Our Gang on 1950's TV, could not hold a candle, to "Our Gang!" We knew how to get into some serious "mischief" and Kris was game for anything and everything we could all think of to help all, our parents grow gray hair early, Our family gatherings were regular events, and our folks could always find a reason to celebrate & party. We sang, we "danced" and Kris was first on the dance floor and last to leave. She loved to kick up her heels and dance! 😎❤️
👍

Love to all her family, our hearts & prayers are with you always.

“ I am so sad to hear of Kris' passing. I was fortunate that for the 13 years I spent with Okidata, Kris was always with me on our team. Always calm, happy, funny and caring of everyone in our department. She helped everyone and made work a better place to be. And what a shore party she threw for all of us. Loved by all she will be missed by many. Our prayers go out to Kris and her family. Love Janet & Bill

“ Aunt Kris was by far one of the funniest, most sincere, and most obviously loving women out there. I know that, though her loss was sudden, her love and humor will remain with and help guide the family despite her absence from it. My thoughts and love go out to you all during this difficult time.
With love and sympathy,

“ To my cousins and all her nieces and nephews over these next days and weeks and months it will be hard. My mom always reminded all of us that we can always do it together. A thought or shall I say lyrics that I want you all to look at and remember when it gets hard.

*If I ever leave this world alive
I'll take on all the sadness that I left behind
If I ever leave this world alive
The madness that you feel will soon subside.
So In a word don't shed a tear
I'll be here when it all gets weird.
If I ever leave this world Alive
So when in doubt just call my name
Just before you go insane
If I ever leave this world alive.*

I love you all and so did she so much so just know she will always be watching all of us.
