I remember meeting Krsta from many years ago when he had the multifamily house in Ridgewood, NY. I was amazed at his skill in every aspect of caring for a home: Carpentry, painting, staining, and, of course the garden out back. I was certain he could do ANYTHING. What a wonderful person to have had by your side through life!

“ *I met Krsta not long ago but I'm so glad I got the pleasure, we talked about his garden he built and the enormous cantaloupes and Tomatoes he was so proud. I wish I had more time to talk with him but I'm happy I had the opportunity to talk to him that day. My heart and prayers go out to the family.*
