“ *I remember Lance from the Cinnaminson Little Theater in the 70s. 1974-76. He loved doing the backstage thing. First time I talked to him was at the cast party of the production of Cinderella. I was a dancer with a couple lines. I have pics of him backstage that will show up sometime I am sure. He was funny. He was speaking to me with a British accent. Not knowing him at all I thought it was real. Then he told me it wasn't. He was such a handsome guy with muscles. I found him years later on Facebook. Wow he really had a lot going on good. A good job , children , grandchildren later, and his faith. I will miss his witty comments and his views on life. Too soon gone but now resting easy. Love you Lance always.*

“ *For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. See you my friend.*

“ Lance taught my daughter to drive reliably and safely, after her quirks and perceptual differences had scared away several professional instructors, including one so-called adaptive driving instructor.

We will always be grateful for his contribution to the independence she now enjoys.

“ I can't tell you how sad this makes me. Lance was a good friend and we spoke about Christ and Life often. We shared an affection for Worship Music, Scotch, good Cigars, and Chess. I know how much pain he was in and am happy that he finally got to go home and be with Jesus. He will be sorely missed. If any of Lance's family need assistance with anything please feel free to reach out, John Kawand, Titusville, NJ jkawand@yahoo.com
