“ This picture brings up so many memories, I see all of you in him. I remember being a alley way apart in OLNEY. If you needed anything you could just go out back and ask Jackie or Larry. They don't make dads like him anymore, he was one of a kind. I miss OLNEY and he was a big part of my childhood Sincerely Eileen Fagan Fittery

For everything there is a season. A time to be born, a time to die. It's what you do in between that matters. "Florida Dad Larry" was special and touched many lives on this earth. Rest in Peace. We will miss you.
