“ I will never forget the expression on his face (and look in his eye) when his son, Leonard Powell, graduated from the geriatrics fellowship. He was quite a "proud papa" on that day and I know he was a man that loved his family.

“ I'm so sorry to hear of Lenny's passing and offer my condolences. There are no appropriate words to ease your grief or express the myriad of thoughts and emotions you are going through.

I have so many fond memories of Lenny from our younger years and was happy to reconnect with him recently.

I pray that you feel the comforting presence of the Lord.
