“Pinky & I shared a special bond - she lived life the way SHE wanted to. She truly loved her family & shared many stories of all her children, grandchildren, brothers, sisters & of course her devilish husband Bob ❤️.
She will be greatly missed. (Neighbors)

“Pinky was my mom, she enjoyed her morning coffee with her puzzle and watching the critters in the birdbath. She took such care of those critters, filling it even though she was in constant pain. My brothers eventually moved it closer and closer to the back door so she wouldn't have to walk so far. They will miss her everyday. She enjoyed reading, thrift stores, actually going grocery shopping and she had to wash something almost every day. I will miss our heart to hearts, making each other laugh and hearing stories from her childhood. I missed her very much this past month as her illness took hold, I choose to remember her as my beautiful, funny, smart and fashionable mom. You will be so missed.

I always looked at my Aunt Pinkie as a very strong woman. She was a kind and caring person, always thinking of others. She would visit and everyone would meet up for lunch and she would have an Aunt Pinky bag to go through. She will definitely be missed by many of us family members. Say hello to Aunt Margie for us. Rest well, Aunt Pinky. Love, Tina

Aunt Pinky was also my Dad, Dave's, sister. As I moved often as a little girl, I wasn't as fortunate to really get to know her. She was mysterious yet beautiful to me and I always loved telling people that I have an Aunt named Pinky. My hearts go out to all who are grieving, especially this time of year. Sleep well Aunt Pinky.

Pinky was a fun person. She was right up front with how she felt about anything. She and I shared the same nickname for all these years as sister-in-laws. How crazy is that in the same family. Married to my brother, Bob. I Loved all the kids, to them I was Aunt Pinky. Sadness, of course, but knowing She and Bob are reunited and how the number of years allowed Pinky to see many happy family events makes it a little easy at her passing. Heart Sympathy to all the family.

Rest in peace. Love, Pinky

I spent my formative years living next door to the Kenny's. Pinky was always active in Glendora School PTA (she was an officer at one time) as well as our Girl Scout leader. Very involved. I recall not that long ago, I was heading to the Jersey Shore & flying past me in a big ol' catty went a woman who's license plates said, "Pinkey!" There's only one. RIP Ms. Pinky.
