“ I miss Linda so much!! I thank God for the time we had with her. She was such a loving sister in Christ to me and to all of us in the church ( Calvary Chapel of Marlton ) She ministered with us in Camden by evangelizing on the street, feeding and helping the homeless. She was always in our prayer meetings and Bible studies too. We had a lot of fun memories with her.. We love her so much!! I love it when she'd says "It's good to see you, Jasmine!"

“ One of my most favorite memories of Linda is of one day in Camden, as we were wrapping up from ministering that I wanted to bless her, so I put my hands on her and pronounced "Reveive your sight in Jesus name." fully believing that God would answer us with a miracle. But Linda responded in a way that took away my breath... as she said "I don't want my sight back." I was caught off-guard by her response, but then she clarified... "Losing my sight is what drew me into the close and loving relationship I have now with Jesus Christ." I, and many who have served with her have been do blessed by this type of wisdom that she shared abundantly, and without ever holding back. We have truly lost a powerful light in the family of Christ, but our loss is truly heavens gain. Amen and HALLELUJAH ❤️

“ Linda was one of my prayer sisters on Fridays. She knew who I was by my voice until I started having problems with my speech. It was always wonderful that she knew who was there and was constantly praying for you and your needs. A faithful prayer sister! We all are missing you Linda and can't wait to see you again. May your family always know how much you loved them and how you loved your Lord and Savior.

“ I’ve had the pleasure of knowing Linda (we call her Lin) for over 30 years! We share SO MANY life experiences and events I could write a book! She gave so much of herself to everyone she met; bringing light into the room with her smile! I thank God for Lin and her spirit (she was strong in her conviction for her faith and supporting the community of the blind)! We’ve lived next door to one another as well as in seperate states; but we never lost our connection! R.I.P. my dear friend.
