“ Linda was a kind and generous person. An example: a street person asked her for money for food. She could have ignored him, assuming that he wanted the money for drugs. Or, she could have given him some change and walked away. Instead, Linda bought him a meal and then kept him company while he ate it.

You will be missed, Linda.

Terry, Marge and I offer our heartfelt condolences to you, Matt and Adam.

“ Terry, I just learned of Linda’s passing from one of our Falmouth classmates. I will never forget that Sunday that you sat in front of us at church. Linda looked just as she did in high school. Our breakfast meeting after was so nice just to interact and see where we had come after all of the years that had passed. I just lost another dear friend recently. So very sad with no words or condolences that truly express the grief that you are feeling. You and Linda are in my prayers. 🙏❤️

“ Dear Terry and Family. Soni and I are so sorry for your loss. We have the fondest memories of all of the times we gathered in your home in Vorhees for holidays and just simple get togethers. Although in the last few years we haven't seen we often thought back on the wonderful times we spent together. Linda was a dear friend, work colleague and a wonderful person. May her memory be a blessing to all of those who knew and loved her.
