“ Just so sad to hear that Linda has passed. To say I love her and her family doesn't say enough. She and Mike and her family are so large a part in my life that I am hurting for all of you and all of those of us who knew their kindness, friendship, and generosity. Joe O'Donnell, God bless you and keep you.

“ I met Linda at my work, Anthony's Coal Fired Pizza. She was one of a kind. Always made me laugh and we had some inside jokes. She was the best eye roller I have ever seen and very sassy. We became such good friends that she was at my wedding. I am so grateful to have met Linda. I am so sorry to her kids and grandkids who I know she loved more than anything. I am so sorry mike for your loss, she was the love of your life and now she is your angel. Rest easy, Linda.

Lin and I became friends during childhood, even before her family became neighbors. We then shared LOTS of growing up years! She was such a good GIRL FRIEND! I will always remember and think fondly of Lin! Siscily (nee Sister Bush)

“ *My Aunt Linda. We shared many laughs and stories together and as an adult I got to have my own special relationship with my aunt. My favorite thing about her is the little details that made everything special, down to the Christmas tree shaped butter. Love you Aunt Linda! Love you Pierce fam!*
