“ Lisa was passionate about her work and she was Very passionate about dog rescue / rescue dogs. When Lisa committed herself to something it was at 100%. We talked and we laughed, we talked and we laughed, we talked and we laughed. We definitely bonded over both of our rescue efforts (and our love for Pitties). My heart hurts for her family (and her dogs) that will miss her terribly. All my prayers!

“ There are so many good memories I have with Lisa, but most of all i remember she could talk for hours about everything and nothing. I am so thankful that I had the pleasure of being in her life as long as I was. Lisa lived her life with the love of a great family and a dog or 5. She is no longer in pain but in peace, when I think of her I will smile. Sending hugs to her family.
