

## Lisa Ann Soley

April 6, 1965 - February 5, 2026

Lisa A. Soley of Marlton, NJ, passed away peacefully on February 6th, 2026, at the age of 60.

Born to the late Andrew (2011) and Rosmary (nee Macchia) Bellano on April 6th, 1965, in Philadelphia, PA. Growing up, Lisa attended Paul VI High School as part of the graduating class of 1983, going on to attend Cabrini College where she made friends that would withstand the sands of time. As she grew into adulthood, Lisa found her voice. She was unapologetically herself and would stand up for what was right no matter the consequences. Lisa made many friends who helped her become the woman she is today with the strong foundation of unwavering support and community.

As a young woman, Lisa always knew she wanted a family of her own. Her dreams came true when she became the mom of Shannon (Casey Graham) Soley. Lisa loved being Shannon's mom. She had the opportunity to share her knowledge with her daughter, whether it was helping Shannon with her homework or teaching her social skills. Lisa was a pillar of empathy, always offering comfort, understanding, and a listening ear. Yet, she also believed deeply in the importance of structure and integrity. Whether through a gentle word of guidance or a firm hand when necessary, she taught those around her right from wrong with unwavering clarity. Her love was unconditional, and her wisdom, rooted in both kindness and fairness, shaped the lives of those lucky

enough to know her.

Time with family and friends was incredibly important to Lisa. She cherished every moment she could to host a holiday event where she could cook a meal made with love for those she loved the most. Her family cherished memories of how Lisa's favorite holiday was Christmas Eve where they celebrated with The Feast of The Seven Fishes. Lisa's family extended not only to her human family, but to her beloved fur-family Buddy and Smokey.

When Lisa was not spending time with family, she could be found preparing for her next craft show. Lisa had an incredibly creative spirit, she enjoyed beading and was a member of the Bead Society. Her passion was making handcrafted jewelry. Lisa's love of jewelry making made for wonderful gifts for friends and family, she loved sharing her passion with others around her. Professionally, Lisa worked briefly Midlands Federal as their Operations Manager until her passing as this was a new career, and was ecstatic over the new opportunity for her future.

Lisa will be missed deeply by those who knew and loved her for her kindness, warmth, and authenticity to herself.

In lieu of flowers, please donate in Lisa's name to Peyton's Place Animal Rescue.

“ Lisa,  
You beautiful, strong, incredible woman - it seems unfathomable that you have passed onto your next journey. What a huge loss for all of us still here! I loved you so much, I was so grateful for your friendship, your encouragement, your laughter and camaraderie in living life in this bizarre landscape we found ourselves in. I miss you so much and I know how much you will miss taking care of and loving your mom and beautiful girl Shannon (not that death would ever stop you). But I can't help but think how beautiful it is that you are reunited with your beloved father! My friend, your legacy lives on - you lived so well in this life and you know I'll be walking with you at every protest and every political rally. Your legacy of loving others and wanting our country to be one that was welcoming to all will not be lost. I miss you so much.

“ *My sweet friend my sister. GOD how much I miss you. As we used to call each other sister from another mister. This all seems so surreal. Such a beautiful soul. I will never forget the first time we were introduced by phone since I'm in California but that didn't stop us. A beautiful friendship grew that day and ended up turning into a sisterhood. How we used to finish each others sentences or how you would be thinking it and I would be saying it and we being the dumbasses we were would just laugh. I miss you so much. You will forever be in my heart 💜*

“ Dear Ro, Shannon and family,

*I still cannot wrap my head around this loss. It does not seem possible that she has moved on and is not with us. I know her spirit will not be far from either of you. She is definitely smiling now. She is with her father. I know Mr. P will also look out for her. She will send you signs be on the look for them. They will bring you peace. Fly with the angels Lisa, until we meet again.
