“ *I knew Lisa for only a brief time. I had the privilege of being one of her instructors and teaching her about the heart. But Lisa didn't need me, she already had a big heart and a sweet soul that lit up the room.*

*I graded her "big final" before she left that night and just as I expected she aced it. 103. She was so excited. I loved Lisa's excitement and her eagerness to learn. I was so proud of her and I will miss her in my class.*

*I pray for Lisa's family and friends who are grieving at this time. We grieve because we love her and miss her. But be comforted because she is safer and happier than ever right now in Gods loving arms. No more pain or tears for her.*

*Lisa was a hard worker and on a good path, she's just on a solid gold one now. I pray that I get to meet her again and share some joyful laughs.*

*Big hugs to you Lisa and your family.*

“ *Lisa came from the most loving family and I could never forget her smile. We were best friends back in the day, and I wish we would have kept in touch more. We shared so many fun memories from sleepovers, dancing in the rain, spending New Years Eve together as her birthday was at midnight, the Poconos and Hersey Park. She had such a great attitude in life and will be greatly missed. May you rest in peace Lisa.*

“ *I loved seeing Lisa when we worked together at The Blue Monkey. We always laughed together and made jokes. I remember Lisa telling me "I don't know why but when I wear my hair down I always have to play with it". We had so many laughs about that. I only knew Lisa over the last couple of years but felt like we knew each other longer than that. She was very sweet to me. I will never forget her smile and laugh. Sending my love and prayers to her family during this incredibly difficult time. My sincere condolences, Meghan Wisnieski*
