

Lori Ann Irvine

February 27, 1969 - August 6, 2025

Lori Ann Irvine passed away peacefully on August 6, 2025, at the age of 56, after courageously battling ovarian cancer.

Born in New Orleans, Louisiana to Roy and Jane Irvine, Lori was a resident of Cherry Hill for the past 21 years. She earned her bachelor's degree from Indiana University and dedicated 33 years to her career as a publishing executive with Elsevier in Philadelphia.

Lori shared 33 wonderful years with her beloved partner and husband, Matt Andrews. She was the cherished sister of Lisa Irvine and dear sister-in-law of Jen and Pete Adams and their children Emma, Kate, and Christopher; and brother-in-law Michael and Maria Andrews and their son James.

Lori had a great love for dogs and a passion for staying active. She enjoyed playing volleyball and pickleball, and in her younger years at Nolan Catholic High School in Fort Worth, Texas, she played both basketball and softball. Above all, Lori deeply cherished the time spent with her husband and family. Her warmth, strength, and spirit will be lovingly remembered by all who knew her.

A gathering of family and friends will be held on Monday, August 11, 2025, from 9:30 a.m. to 11:00 a.m. at Givnish of Marlton, 398 East Main Street. Family sharing and remembrances will begin at 11:00 a.m.

“Lori was the kind of person who always showed up with a smile and a helping hand. No matter the challenge, she was ready to lend her support, and her generosity touched everyone around her.

Over more than 13 years of working together, I was lucky to share so many moments with her especially the hours spent learning our way through our Excel challenges. Whenever I visited the Philadelphia office, I made sure to see her..

She will be remembered not only for her kindness and dedication, but also for the warmth. We are all better because we knew Lori.

“Lori was my go-to resource for years in the book department at Elsevier. Was there anything she didn't know? She always shared her knowledge with such good humor and patience. I'm so sad she's no longer with us.

“ Lori,

Robyn and I appreciated how kind you and Matt were to us immediately upon moving into the neighborhood. You were always willing to lend a hand and give us advice when it came to our dogs. I’ll miss the random stop and chats we had while our dogs played in the back. You made such an impact on us and we cherish the time we had with you. We’ll make sure to look after Matt and Boudreaux. We will miss you so much. No more pain and I hope we make smile down on us.
