“ *My deepest sympathies to the family for the loss of a great lady. Lotti was a LOT like my own mother who passed in 2002. Being in her company was a little extension of time that might have been spent with my own mom. I will miss her warmth and generosity. I will never hear Drew Carey (Price is Right) without thinking of her and her telling the tv contestants what to bid! I feel lucky to have known her. Peace to her devoted husband and family.*

“ *I would just like to express my deepest sympathies to your family. Lottie, which she demanded I call her, was such a great woman. I loved talking with her when she came to the office I had worked at, she had such a good sense of humor, and knowing her for a long time was a pleasure. With love and prayers.*
