“ Louis, my very close friend since 40 years ago, I miss you and still has not sunken in of the tragic event. I will always remember you with the best warm feelings in my heart! Still remember the night at the roller skating rink when you asked to skate together, I was 11 years old. Stayed close since then. I'm shocked and still in disbelief. I will miss you always! Love for his family. I love you!

“ Louis was a very nice man. I live down the street from his parents and I would always pet his dog when he came to visit.

“ Lou was one of the friendliest and most helpful guy I knew. We talked in high School, then met up again at our car groups monthly meet. He loved life and his family very much. Lou got that out and made it known. Thank you for being the friend you were. You will be deeply missed. R.I.P. MY FRIEND 🥹
