

## Louise Puglise

August 1, 1944 - May 28, 2022

Louise Puglise, 77, of Delran, NJ, passed away suddenly on May 28, 2022. Dear mother to Joseph Puglise (Claire) and Joanna Graham (Brad). Devoted “Nomi” to Olivia, Madeline, Cecelia, Jacob, and Jackson. Daughter to the late Jakopf and Johanna Speisman. Sister to the late Leonard Speisman. And mother, sister, and friend to countless others over the course of her well-lived life.

More than anything else, Louise relished the people in her life. Her genuine kindness and concern in their well-being endeared nearly everyone she met to her warm personality. Friends and strangers alike never ceased marveling at her capacity for thoughtfulness and love. It wasn’t uncommon for her to come back from a simple trip to the store having made a new friend. She made an indelible impression on those she met, many of whom were quick to make her and her family an important part of theirs.

A gathering of friends and family will be held on Friday, June 3rd at Givnish of Cinnaminson, 1200 Route 130 North from 10 to 11 and her life celebration service will follow at 11:00am and live streamed on the following link:[https://www.viewlogies.net/givnish/c9ydum\\_o1?pin=600441](https://www.viewlogies.net/givnish/c9ydum_o1?pin=600441)

“ *It is with great loss of such a dear friend I reach out to her beloved family. Louise and I have known each other since we were fourteen years old. We spent many of those early years at each other home, going to parties, rides in the country with Louise's beloved mom and uncle . Both of our parents shared wonderful dinner times for us too. Later when I got my license and we had car rides to the shore and then clubs for dancing. We always had a blast! As she moved down to southern Jersey we remained friends through phone, some visits and class reunions. Louise always spoke fondly and lovingly about her children Joe and Joanna whom she adored and her terrific grandchildren. She will be remembered always for her heartfelt joy for life, smiles and enthusiasm for life. She will be dearly missed.*

*Our sincerest sympathies to Joanna, Joey and their entire families. I am amongst the list of long-time friends Louise had (almost 50 years!) and never have I met anyone so gracious, classy, smart and giving as Louise. A joker, she always tried to say things lightly and funny and I loved her for this and much more. My texter every other day and my caring friend who I will miss with all my heart. She now resides in my heart forever. Josie*

*I am heartbroken by the passing of Louise. She was everything we would want in a close friend and a neighbor – a really genuine person, always cheerful, caring and helpful. The day was brighter when Louise was around. She truly cared about making a positive difference in other people's lives. Louise loved her family and it was a joy to listen to her talk about Joe and Claire, Joanna and Brad and her grandchildren and how proud she was of each of them. I am privileged to have had her as a friend and saddened by the loss of such a wonderful person. My thoughts and prayers are with her family during this most difficult and challenging time.*
