“ Aunt Lucy was one of the most special people in this world. Always kind, generous and ready to make you a meal she went out of her way to make everyone feel loved and special. I have so many great memories with Aunt Lucy and all the stories she would tell me about the history of the Stefano family! I feel lucky and privileged to have seen her recently on one of the better days where she was educating me on all things Stefano and laughing at the colorful history of our family. She was wise, caring and had that infectious laugh that lit up a room. She has left a great legacy behind and I know she's proud of all the Stefano/Dougherty clan still here to carry on her traditions. She will be deeply missed and my condolences to all that were touched by her life. One thing we can't argue about in our history is the men of the Stefano family and their ability to pick amazing women like you Aunt Lucy!

Love you always,
Douglas
